MARRIAGE AND FAMILY SEMINAR

We are so happy to announce a two-day seminar at Broad Street exactly one week after our 120th Anniversary Homecoming services on the theme of "Marriage and Family." Mark these dates: November 6 and 7 for 5 sessions with Dr. Donnie Hilliard of Montgomery, Alabama.

Dr. Hilliard is Head of the Department of Family Studies at Faulkner University in Montgomery, AL, and has served for the past several years as one of the ministers for the University Church of Christ in Montgomery. In addition to his teaching responsibilities, he is the Director of Cloverdale Center for Family Strengths at the university, Co-founder of the Youth Workers Enrichment Conference and Editor of "Our Families" magazine.

He and Dr. Nick Stinnett and Nancy Stinnett, co-authored the book and accompanying study guide entitled Magnificent Marriage. This text is being widely used within congregations as a part of their teenage and adult curriculum.
