“The Silencing of God” seminar is designed to awaken Christians to the urgent need to recall our nation from the moral and spiritual depths to which she has plunged. It issues a stirring call to reaffirm the Biblical values that are being systematically stripped from our public life. The seminar addresses such questions as:

Did the Founding Fathers advocate “separation of church and state?”

Did the Founding Fathers oppose public expressions of religion?

What were the Founders’ views on moral issues—like homosexuality?

What can Christians do to reclaim our nation from the social liberals?

What can Christians do to save our nation from moral and spiritual destruction?
