“Lads to Leaders and Leaderettes – National Convention”

We've just returned from the 40th Year National Convention of Lads to Leaders and Leaderettes at Opryland Hotel in Nashville, Tennessee. There were over 17,500 registered students and adult sponsors at five convention sites, with over 9,250 of these at Opryland Hotel. We will be honoring all our students at the Awards Banquet on Saturday night, April 25, 6:00 P. M. Family members and supporters are invited but we need an accurate count so sign up on our bulletin board sheet or call the office. Here are the Convention awards highlights. We stress that all our students were winners for having run the race. They will each be recognized for all their work at the banquet. I want to thank the many of you who helped provide scholarship funds that made this trip possible for many families. Certainly I appreciate the Elders for placing a generous portion of the expense in the budget and giving the program their support. In the spirit of rejoicing over achievements of one and all, take a look at the following:
