BROAD STREET CHURCH OF CHRIST

VOL. XXIX NO. 2

From Where I Sit . . .

I Thought You Would Like To Know.....

Many of our members have been introduced to Michael Shank, author of the widely acclaimed book Muscle and A Shovel, which chronicles his journey to Christianity and how a friend assisted his search for truth. In his book, Michael describes his struggle to repent from a belief system that he had held to be true. In the workshop this weekend at the Madison Church of Christ he will present 4 lessons that share an enlightening way to reach our neighbors who are lost in a sea of religious confusion and division.

I Never Intended to Quit!

People rarely plan to leave the Lord. Instead of it being a conscious decision, it usually happens through inattention to Bible study, to prayer, to worship, to working in the Lord's church, etc. You may have already quit the church and you didn't even realize it. It was with this possibility in mind that the writer of Hebrews wrote, "Therefore, we must pay much closer attention to what we have heard, lest we drift away from it." (Hebrews 2:1).
