BROAD STREET CHURCH OF CHRIST

VOL. XXXVI I NO. 27

*From Where I Sit . . .*

### **“Are You Walking in the Light??”**

Walking In The Light is tantamount to walking in Jesus, walking with Jesus, doing what Jesus would have us to do. Friends, if we’re not walking in the light, there are some very serious consequences. The obvious one is that we lose fellowship with one another and with the blood of Christ. Fellowship is contingent on walking in the light. ***“But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin” (1 John 1:7).***

A flashlight at night, a beacon in the dark, a search light for the lost, all show us the importance of being in the light. Our lives often hinge on it. Light is necessary for growth. The plant kingdom reminds us of this very graphically. This makes the text of **John 1:4** all the more meaningful to us when we realize: ***“In him was life; and the life was the light of men. . .”***

**Our Theme Question is: ARE YOU WALKING IN THE LIGHT???** The initial response might be: “Well, yes, I believe in God, and Christ,” or “I may not be coming to church like I should, but I haven’t give up my personal relationship with the Lord,” or “I hope so.”

What about a resounding, “Yes! I walk with Him as closely as I possibly can by reading His Word every day, by praying for His wisdom and direction, and by heeding His words of counsel. Plus I stay as far away from the evil one as I can.

For many years when children were called upon to sing a “big people’s” song out of the hymn book they selected **“Trust and Obey.”** While today’s children may not hear this song as often as in years past, the words are so relevant still: “When we walk with the Lord, in the light of His Word, what a glory he sheds on our way. While we do His good will, He abides with us still, and with all who will Trust and Obey.” That’s the key: To know that we’re walking in the light of Jesus, we must Trust and Obey!!!

Friends, It’s Impossible To Walk In The Light And In Darkness At the Same Time: ***“Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life (John 8:12).***

***“And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil” (John 3:19).***

How can it be said that we are walking in the light if we have to be begged to attend worship services and Bible classes? Can it be said we are walking in the light when we have no prayer life other than at meals and perhaps when some great tragedy strikes and we happen to think of God? Is one walking in the light who never seems to find time to read the Bible which is a road map to heaven? How about one who selfishly holds back from God the fruits of his labors, both monetarily in cheerful giving, and in bearing precious fruit for him through our influence and teaching? Are you – am I – walking in the light?

## Chad's Chatter

### Praise the LORD

Have you ever wondered what it would be like if GOD was a different kind of GOD? Have you ever thought about the fact that GOD doesn't even have to have the basic good qualities that come from HIM? He is good, loving, kind, merciful, truthful, and patient with us. We know that all good things come from HIM.

Maybe that's what the Psalmist was thinking sometimes when writing things like Psalm 117:

“Praise the LORD, all you Gentiles!

Laud Him, all you peoples!

For His merciful kindness is great toward us,

And the truth of the LORD endures forever.

Praise the LORD!”

GOD is truly awesome just being himself! He doesn't have to try to be better than He was yesterday. He is perfect. He always has been and always will be! Not only is He without mistake, but HE loves us and is a kind, just, merciful, and truthful GOD. He is all things good. So...Praise the LORD! HE is worthy!
