BROAD STREET CHURCH OF CHRIST

VOL. XXXVIII NO. 15

From Where I Sit . . .

“A Look Back To The Past”

[Please forgive my nostalgia. Below is a copy of the first article I wrote for the Broad Street Banner on April 23, 2002. After today I hope to have two more opportunities to reach out with this page. April 30 marks my last Sunday as a full time minister (just 5 months short of 55 years) and concludes 21 years as minister of the Broad Street Church of Christ. Much has changed since that date. We are now blessed with 9 grandchildren, and 3 great grandchildren. We’ve buried 154 members of Broad Street, and said good by to scores of others who moved away from us, several of whom are also in Eternity now. Six of the nine Elders who brought us to Scottsboro have gone to be with their Lord. One of the remaining three, Randy Brown, will become your new minister on May 1.

“A Word From Terry and Kathy....” (April 23, 2002)

“The Broad Street congregation has honored us very highly in asking us to move to Scottsboro and work with you. We have been extremely impressed with the friendliness of this congregation and we thank you from the depths of our hearts for your warm reception of the Broome family. We will strive to live before you in such a manner that you will never have reason to doubt or regret your decision to invite us into your lives. We are only too human and will need your tender mercies along the way, but you can count on it that we will never take our responsibilities lightly.

We are eager for moving day this coming Monday, April 29, with our scheduled arrival on Tuesday morning, April 30. Kathy will be in and out of town for the first three weeks as she finishes her school year on May 24 at Mars Hill Bible School where she teaches in the pre-school department. As we get settled in we look forward to coming into your homes, and most certainly welcome you into ours.

We’re also very anxious for you to meet the rest of our immediate family. Our firstborn, Tera, is married to Chris Pressnell. They work with the Flint congregation in Decatur, Alabama where Chris serves as minister. She’s a wife, mother of two girls and a boy, school teacher, and faithful Christian. David is our oldest son. He and Sharon have a beautiful Christian family with a son and a daughter. Sharon is a former High School Biology teacher who prefers her role as mother and homemaker. They live in Thompson Station just outside of Franklin, Tennessee where David is a computer program writer. Michael has recently married Christie, both students at Freed Hardeman University. He will graduate on May 11 and she in early August. They plan to move back into the Nashville area where he will pursue a career in Public Relations and Communications, she in marketing.” [Note: both careers have changed.] “We hope the children and their families will drop in at Broad Street from time to time to share in your wonderful hospitality and the spiritually uplifting worship services.

From the earliest memories that flood my soul, Gospel preaching thrilled and challenged my heart. Great men of God who knew, loved and proclaimed the Word of God inspired me to search the Scriptures for myself and to proclaim the unsearchable riches of Christ (Ephesians 3:8). I’ve had the good fortune of being raised around preachers who loved their work and helped me gain a passion for preaching. My father is a dedicated Gospel preacher with a faithful wife by his side. Together they’ve worked for the Lord’s cause for 47 years.

I’ve been convinced and I’ve witnessed it over and over again, “Faith comes by hearing....the Word of God” (Romans 10:17). To produce faith, the Word must be preached and taught. I accept the challenge and welcome the opportunity to preach God’s Word to those who are in Scottsboro, Alabama. Let us be “laborers together with God” (1 Corinthians 3:9).”

Where Did You Come From?

Our origin story, as humans, is one of the most pondered topics that most people will never feel like they can truly know while they are on this earth. However, based on where you think you came from, a number of ideas are immediately established and become a foundation for so much of your life.

If you think that you came from nothing, then what is right and wrong? What is good and bad? How can there be any morality, if you just exist without cause? We are basically the same, just smarter, than all the animals in the world. Our life on this earth is all we get, so we better enjoy it and make the most while we have life (YOLO).

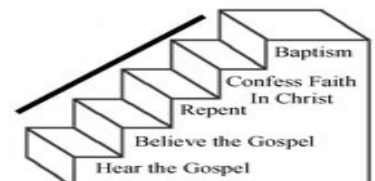

On the other hand, when you believe that GOD made everything, the Bible is really from GOD, and JESUS came to seek and save the lost, your foundation is much different. All the rules of life change and life is not just for living for "the here and now" without morality. There is such a greater purpose than just being alive!

6 souls were baptized for the forgiveness of their sins on Sunday night and 1 more Tuesday afternoon. They believe JESUS is the Son of the living GOD and were willing to confess that! They decided to live a different life than for self, but for GOD who knows all and loves us all! He is the only one who was here for it all and made it all happen! Why would we trust mankind that try to leave GOD out of the very story that He wrote (**Job 38:4**)? Praise GOD for **Tatum Shelton, Tyler Shelton, Patton Russell, Cathy Campbell, Ryder Linville, Kaden Price, and Tim Campbell's** decision! Praise GOD from whom all blessings flow (**James 1:17**)! GOD'S story through CHRIST is real and is the one we need to tell other's about, too! (**I Peter 1:3-9**)!
