BROAD STREET CHURCH OF CHRIST

VOL. XXXIV NO. 4

From Where I Sit . . .

“NOTE THOSE WHO WALK SO”

This week is a notable week for our congregation. On January 26th, 1884, the first Gospel Meeting was held in Scottsboro, Alabama. As a result of this meeting further Gospel Meetings were held later in 1884 and one in 1885. As a result of these Gospel Meetings a group of Christians purchased land and erected the first church building in 1886. Many significant things have happened since this congregation has been built over the years. New buildings have been built, elders have served faithfully and have come and gone, deacons have served faithfully and have come and gone, many different preachers have diligently preached God’s word in this congregation. We have been so very blessed by God to have existed as a congregation for all these 140 years.

Paul in Philippians 3: 17, “[17] Brethren, join in following my example, and note those who so walk, as you have us for a pattern,” tells us that we should note those who follow the pattern of the New Testament teachings. The people of this town who believed in Jesus Christ enough not only dedicated their lives to Christ, but saw a need of bringing the gospel to the lost in this community. By seeing this need they established a wonderful congregation that has been trying its best to follow their example. Every elder, deacon, preacher, classroom teacher has tried to keep this wonderful example before us. Paul also tells us that we should use these men as a pattern to follow. These men saw lost souls in our community and were so concerned that they did something about it. Have we truly noted their example; are we truly following their pattern?

What is the pattern? It is not only believing in Jesus Christ and through our belief and our obedience to the word of God to become the sons of God, but it is growing to be like Jesus and to carry out His mission. To be like Christ is to be completely submissive to the will of God and to seek to carry out His purposes. The main purpose being to make disciples, Matthew 28: 19 - 20, “[19] *Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, [20] teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.” Amen.*” The people in 1884 who saw these lost souls in our community and saw the need to bring the word of God to these people were trying to carry out the purpose that God had given them. The people that established this congregation and the people of this congregation that have had this sense of purpose have brought our congregation to this point some 140 years later. We should take note of those who have embraced this purpose and we should follow the pattern they have set for us. How many lost souls can we reach in our community now and in the next years to come? Will newer generations be able to note us and use us as a pattern of carrying out the purposes of God?
